1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a disgusted customer of Tega Cay Water Service.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

Once again TCWS is seeking another large rate increase. They have sought and received increases in the past few years but we have seen no improvements to justify them. For years they have used Tega Cay as their cash cow, taking in the income without investing in the area. Now that they are being required to upgrade and invest, they have their hands out once again. I suspect that this time will be like others, they want an increase so they double the requested amount then, when awarded half that amount, think their customers believe they have won a compromise. We are not that stupid. Their answer should be NO period end of sentence, not even a dime! We're hoping this time you folks on the PSC will do the right thing.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *
